- Peter Mc Verry Trust
- Private Rented

ESSENTIAL PARTNERS

- Local Authority – Allocations Department
- *Registration, Housing Assessment, consideration of Special Needs, Housing Welfare*
- Community Welfare Officers
- *Rent Allowance, Furnishing Apartments, White Goods etc. speed is important*
- AHBs re allocations of vacancies. Assurance of support
- Community Mental Health Team – *complete honest referral & commitment (in writing) of ongoing support*

Community integration

- 3 participants got employment.
- 6 participants got voluntary work.
- 9 participants in training course.
- All participants are aware of local services in their new area.

Barriers

- 3 participants declined housing offers they or families, were not happy with - no on site psychiatric supports.
- 1 participant has issues with his neighbours, which led him to a housing transfer - stigmatisation
- Family resistance to clients' move.
- Lack of motivation from participants – institutionalisation???

Further Challenges

- Cuts in payments / services / rising rents
- High demand for housing / less housing stock.
- Clients with past forensic history causing Estate Management problems
- Clients with outside power of attorney.
- Homeowners with derelict homes.
