## **DIRECTORS' REPORT**

The directors present their annual report and the audited financial statements for the financial year ended 31 December 2020.

# PRINCIPAL ACTIVITY

The principal activity of the company is to promote and support the development of personalised services in meeting the needs of disadvantaged and vulnerable people.

The company does this in a number of ways:

- Negotiation of service level agreements to deliver programmes in line with the main objective of the company.
- By supporting the work of The Genio Trust, a related party, through provision of resources to allow it to complete its work.

#### PRINCIPAL RISKS AND UNCERTAINTIES

The main risk and uncertainty would be loss of income to support the services provided by the company. The relationships that Genio CLG has with government departments is critical to ensure continuation of funding for the work of the company. The Senior Management of Genio CLG along with the Board of the company are considering a number of initiatives to extend the work in the current programme areas and to find new programme areas.

The risk and impact of Covid-19 has been assessed by the Board of Directors of the company. This assessment has concluded that it is not material, either financially or operationally. This will be monitored on an ongoing basis, as we move through this public health crisis in 2021.

#### RESULTS

The results for the financial year ended 31 December 2020 are set out on page 10.

The books of account are maintained at the company's office at Unit 19-21, Block 5, Westland Square, Pearse Street, Dublin 2.

#### **GOING CONCERN**

The directors have prepared budgets for a period of at least twelve months from the date of the approval of the financial statements which demonstrate the continued support of the company's related party, The Genio Trust. On this basis, the directors consider that there is no material uncertainty regarding the company's ability to meet its liabilities as they fall due, and to continue as a going concern. Therefore, the directors consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

The Board of Directors are grateful for the continued support and honouring of its service level agreements during the challenging times of Covid-19 by all of its funders. On this basis, the Board of Directors have concluded that it is appropriate to continue to adopt the going concern basis in preparing the financial statements.

## **DIRECTORS' REPORT**

## COVID 19

Covid-19 continues to be a challenging global event, our employees have continuously worked remotely from 12 March 2020. Genio CLG has been fortunate in that all its funders have continued to honour their financial commitments, which in turn allows Genio CLG to continue to meet its own financial obligations. The Board of Directors of Genio CLG are grateful for this support. We have been working closely with the Health Service Executive, the Department of Health, the Department of Housing, Local Government and Heritage and the Dublin Regional Homeless Executive to adapt our programmes to continue our work plans and have been successful in delivering these with the aid of technology.

The Board of Directors have concluded there is no financial impact on the 2020 Annual Financial Statements. As Covid-19 unfolds, it is under constant review, with appropriate decisions being made as required, to ensure the organisation operates responsibly and maintains an acceptable budgetary position.

## DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## Report on the audit of the financial statements

#### **Respective responsibilities**

#### Responsibilities of directors for the financial statements

As explained more fully in the directors' responsibilities statement set out on page 6, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description of auditors responsibilities for audit.pdf . This description forms part of our auditor's report.

#### The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

#### Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs) unless the arrangement constitutes a financing transaction. If an arrangement constitutes a finance transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial assets expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some significant risks and rewards of ownership, has transferred control of the asset to another party and the other party has the practical ability to sell the asset in its entirety to an unrelated third party and is able to exercise the ability unilaterally and without needing to impose additional restrictions on the transfer.

All movements in the level of provision required are recognised in the profit and loss.

#### g) TRADE AND OTHER CREDITORS

Trade and other creditors are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised at the transaction price.
